Dear Friends & Family in the Lord:

Christmas Angels

Leland Family Ministries is kicking off our *Christmas Angel* Program. As we look back on the year, we are thankful for all that the Lord has done this past year for us and for the many loved ones He has helped reclaim from a life of addiction. Leland Family Ministries' Meth Free Project has grown significantly as methamphetamine addicts have turned to the Lord for recovery. As one would expect, methamphetamine abuse's greatest victims are children of addicts due to neglect and abandonment and, unfortunately, the consequences of methamphetamine even in the recovery stage continue to deprive these children from the lingering financial effects of substance abuse. To encourage these children, Leland Family Ministries has initiated the *Christmas Angels* project for children of meth addicts in recovery.

Without assistance many of these kids will have a very austere Christmas! How can you help? We invite churches, organizations and individuals to participate! To brighten a child's life during Christmas, agree to become a Christmas Angel sponsor. Your contribution to Leland Family Ministries will be used to purchase gifts for the children, make food baskets to distribute to the families and provide refreshments and goodies for our Christmas Angel party. To make a financial contribution, complete the attached pledge card and mail it in with your check made payable to Leland Family Ministries, P.O. Box 123, Bartow, FL 33831.

As we give thanks for the blessings we share on Christmas in our own families, Leland Family Ministries is asking for your help for troubled yet recovering families. Please consider *Christmas Angels* as we follow the vision the Lord has given us to hearten God's little ones on what is suppose to be a child's most cheerful day. Because of your gift, a child will be remembered, a family touched and lives experience the love of God!

God bless you and Merry Christmas!
